What's this old world com-ing to? — Where's this old world go-ing to? — With its bus-tling,
Ev-'ry girl in ev-'ry race, — Seems to go a diz-zy pace, — Clothes they're wear-ing
p
hus-tling up-to-date ways. — Each in-ven-tion brings a change, Some-thing new and
get more dar-ing each day. — Ev-'ry bobbed head from the back, Looks like Jim-my,
some-thing strange, — But the great-est puz-zles are — the girls of now-a-days. —
John or Jack, — Where the styles — are head-ed for — is more than I can say. —
